PRODUCT CATALOGUE & TECHNICAL GUIDE

Commercial Equipment, Engineering Specifications & Industrial Solutions

PRECISION MANUFACTURING

Industrial-grade components fabricated to rigorous tolerances and international durability standards.

CUSTOM ENGINEERING

Bespoke technical modifications designed to match your specific plant layout and capacity needs.

QUALITY TESTED (QA)

100% pre-dispatch inspection ensuring peak operating safety and reliable 24/7 continuous duty.

NATIONWIDE SUPPLY

Rapid turnaround, secure transit logistics, and dedicated technical after-sales assistance.

WHO WE ARE ›

PERMAG PRODUCTS PVT. LTD. stands as a leading innovator and manufacturer in the field of magnetic equipment. With decades of expertise, we specialize in designing, developing, and delivering high-performance magnetic solutions for diverse industrial applications. Our commitment to precision engineering, robust quality control, and continuous research ensures that every product meets the highest standards of efficiency and durability.

OUR VISION & MISSION

"Our mission is to be the trusted global leader in magnetic technology, providing innovative and high-quality magnetic equipment that optimizes industrial processes, ensures safety, and contributes to a more efficient and sustainable future."

WHY CHOOSE US ›

01. PRECISION ENGINEERING

Utilizing advanced design and manufacturing techniques to ensure superior product performance.

02. ROBUST QUALITY CONTROL

Adhering to stringent quality checks at every stage, guaranteeing international standards.

03. CUSTOMIZED SOLUTIONS

Expertise in developing bespoke equipment tailored to unique industrial requirements.

04. SUSTAINABLE INNOVATION

Committed to continuous R&D, focusing on energy-efficient and responsible technologies.

KEY APPLICATIONS & INDUSTRIES EMPOWERED

- Heavy Manufacturing & Foundry
- Mining, Minerals & Aggregates
- Food, Grain & Pharmaceutical
- Cement, Ceramics & Glass Works
- Recycling & Scrap Metal Recovery
- Chemical & Plastics Processing
- Tooling & Precision Engineering
- Power Generation & Heavy Industry

★ ISO 9001:2015 QUALITY MANAGEMENT & ZERO-DEFECT COMMITMENT

From initial raw material metallurgical checks to final dynamic load and gauss calibration, every unit is tested to guarantee trouble-free operation and maximum return on investment.

100% INSPECTED

Commercial Note: For custom solutions, bulk orders, or detailed technical specifications, please contact our sales team directly.

OUR PRODUCTS & SERVICES

Featured Offerings • Core Equipment Line

01 Industrial Magnetic Separator (Plate Type)

₹ 45,000 – ₹ 1,20,000

Series: PER-100 | **MOC:** SS304 / SS316

Duty: Continuous 24/7 | **QA:** 100% Tested

Designed for efficient removal of ferrous contaminants from free-flowing materials, ensuring product purity and machinery protection.

KEY FEATURES & APPLICATIONS ❯

- ✓ High-strength permanent magnets
- ✓ Stainless steel construction
- ✓ Easy to clean and install

Industrial Grade • Standard Warranty — ✓ Verified QA

02 Heavy-Duty Overband Magnetic Separator

₹ 1,80,000 – ₹ 5,50,000

Series: PER-115 | **MOC:** SS304 / SS316

Duty: Continuous 24/7 | **QA:** 100% Tested

Ideal for continuous and automatic removal of tramp iron from deep burdens on conveyor belts in mining, recycling, and aggregate industries.

KEY FEATURES & APPLICATIONS ❯

- ✓ Self-cleaning mechanism
- ✓ Powerful deep-reaching magnetic field
- ✓ Robust industrial design

Industrial Grade • Standard Warranty — ✓ Verified QA

03 Conveyor System Magnetic Pulley

₹ 60,000 – ₹ 2,50,000

Series: PER-130 | **MOC:** SS304 / SS316

Duty: Continuous 24/7 | **QA:** 100% Tested

Replaces standard head pulleys to provide continuous automatic separation of ferrous metals from non-ferrous materials.

KEY FEATURES & APPLICATIONS ❯

- ✓ 360-degree magnetic field
- ✓ Durable stainless steel shell
- ✓ Maintenance-free permanent magnets

Industrial Grade • Standard Warranty — ✓ Verified QA

04 PERMAG Permanent Lifting Magnet

₹ 15,000 – ₹ 90,000

Series: PER-145 | **MOC:** SS304 / SS316

Duty: Continuous 24/7 | **QA:** 100% Tested

Offers safe and efficient lifting and handling of steel plates, blocks, and cylinders without electricity in workshops and warehouses.

KEY FEATURES & APPLICATIONS ❯

- ✓ No electricity required
- ✓ High safety factor (3:1)
- ✓ Compact and lightweight design

Industrial Grade • Standard Warranty — ✓ Verified QA

★ CUSTOM ENGINEERING & HIGH-GAUSS RATINGS AVAILABLE

ISO 9001 TESTED

Custom dimensional fabrication, magnetic gauss ratings, special alloy options (SS304/SS316) and turnkey plant integration available upon inquiry.

✓ 100% Gauss Verified | ⚡ Continuous Duty 24/7 | Factory Direct Warranty

05

Magnetic Drawer Separator

₹ 35,000 – ₹ 1,10,000

Series: SPC-200 **Design:** High Precision

Duty: Heavy Commercial **Warranty:** 12 Months

Compact and effective multi-tier magnetic grill system for fine iron removal in plastic compounding, grain processing, and chemical lines.

KEY FEATURES & APPLICATIONS

- ✓ High Gauss Neodymium tubes
- ✓ Easy clean drawer design
- ✓ Food and pharma grade polish

12-Month Performance Warranty ✓ Certified

06

Suspended Permanent Magnet

₹ 75,000 – ₹ 2,80,000

Series: SPC-220 **Design:** High Precision

Duty: Heavy Commercial **Warranty:** 12 Months

Stationary over-conveyor magnetic block designed to protect downstream crushers, shredders, and grinders from destructive tramp metal.

KEY FEATURES & APPLICATIONS

- ✓ Zero power consumption
- ✓ Weatherproof construction
- ✓ Custom mounting hardware included

12-Month Performance Warranty ✓ Certified

07

Custom Engineered Separation Systems

Custom Quote

Series: SPC-240 **Design:** High Precision

Duty: Heavy Commercial **Warranty:** 12 Months

Bespoke design tailored to your conveyor speed, material burden, and space constraints.

KEY FEATURES & APPLICATIONS

- ✓ Custom dimensional engineering
- ✓ Dedicated project manager
- ✓ Complete installation manual

12-Month Performance Warranty ✓ Certified

08

Technical Audit & Consultation

Complimentary

Series: SPC-260 **Design:** High Precision

Duty: Heavy Commercial **Warranty:** 12 Months

On-site or virtual technical assessment to maximize separation efficiency and equipment life.

KEY FEATURES & APPLICATIONS

- ✓ Gauss mapping report
- ✓ Application optimization
- ✓ Fast turnaround quote

12-Month Performance Warranty ✓ Certified

★ 100% QUALITY ASSURANCE & FACTORY ACCEPTANCE TESTING (FAT)

Every unit in this catalogue is supplied with certified inspection documentation, test logs, and direct engineering installation support.

★ VERIFIED QA ★

✓ On-Site Technical Audit | Express Pan-India Supply | ⚙ Direct Engineer Hotline
