WHO WE ARE

PERMAG PRODUCTS PVT. LTD. stands as a pioneer in the manufacturing of high-quality magnetic equipment, serving a diverse range of industrial sectors. With decades of expertise, we specialize in designing, developing, and delivering innovative magnetic solutions that enhance efficiency, safety, and productivity for our clients. Our commitment to precision engineering, robust construction, and continuous research ensures that every product meets the highest international standards. From material handling to separation and filtration, PERMAG is dedicated to providing reliable, custom-engineered magnetic systems that address the unique challenges of modern industries. We pride ourselves on our technical prowess and unwavering focus on customer satisfaction, making us a trusted partner in magnetic technology.

OUR VISION & MISSION

"Our mission is to empower industries with cutting-edge magnetic solutions, driving operational excellence and sustainable growth. We strive to be the global leader in magnetic equipment manufacturing, renowned for innovation, quality, and unparalleled customer service."

WHY CHOOSE US

1
PRECISION ENGINEERING
Delivering highly accurate and reliable magnetic solutions tailored for optimal performance.

2
CUSTOMIZATION EXPERTISE
Designing bespoke magnetic equipment to meet unique industrial requirements and challenges.

3
ROBUST QUALITY CONTROL
Ensuring superior product durability and consistent performance through stringent quality checks.

4
INNOVATIVE R&D
Continuously developing advanced magnetic technologies to address future industrial demands.

INDUSTRIES EMPOWERED

Heavy Manufacturing | Mining & Minerals | Food & Pharma | Recycling & Scrap | Chemical Processing | Engineering & Tooling

Note: For bulk orders, custom solutions, or detailed technical specifications, please contact our sales team directly. We offer competitive pricing and dedicated support.

Industrial Magnetic Separators

★ FEATURED ITEM

Industrial Magnetic Separators

₹ 45,000 - ₹ 1,20,000

Essential for removing ferrous contaminants from various materials, ensuring product purity and protecting machinery. Designed for high efficiency and continuous operation in demanding environments.

- ✓ High-strength magnets
- ✓ Self-cleaning options
- ✓ Customizable configurations

MOC: SS304/SS316 **Testing:** 100% QA Pull Tested

Electro Lifting Magnets

★ FEATURED ITEM

Electro Lifting Magnets

₹ 75,000 - ₹ 2,50,000

Powerful and reliable magnets for lifting and transporting heavy ferrous materials like scrap, plates, and billets. Offers superior lifting capacity and safe handling in steel mills and fabrication units.

- ✓ Robust construction
- ✓ Adjustable lifting power
- ✓ Safety interlocks

MOC: SS304/SS316 **Testing:** 100% QA Pull Tested

★ INDUSTRIAL SPECIFICATION

MODEL SERIES: PER-130 • SS304/SS316

★ FEATURED ITEM

Magnetic Chucks & Work Holders

₹ 15,000 - ₹ 80,000

Provides strong and uniform clamping force for precision grinding, milling, and EDM operations. Enhances machining accuracy and reduces setup time for various workpieces.

- ✓ Permanent or electromagnetic options
- ✓ Fine pole pitch
- ✓ Low profile design

MOC: SS304/SS316 **Testing:** 100% QA Pull Tested

★ INDUSTRIAL SPECIFICATION

MODEL SERIES: PER-145 • SS304/SS316

★ FEATURED ITEM

Demagnetizers (Tunnel & Plate)

₹ 20,000 - ₹ 95,000

Effectively removes residual magnetism from components after machining or magnetic particle inspection. Crucial for preventing contamination and ensuring optimal performance of sensitive parts.

- ✓ High demagnetizing power
- ✓ Continuous operation
- ✓ Various aperture sizes

MOC: SS304/SS316 **Testing:** 100% QA Pull Tested

★ PRECISION GRADE
SERIES: SPC-200 • HEAVY DUTY

★ SPECIALTY LINE

Magnetic Filters & Strainers

₹ 10,000 - ₹ 60,000

Captures fine ferrous particles from liquids and slurries, protecting pumps, nozzles, and other critical equipment. Ideal for coolant systems, hydraulic oils, and food processing.

- ✓ High-grade magnetic rods
- ✓ Easy cleaning
- ✓ Stainless steel construction

Warranty: 12 Months **Standard:** ISO 9001:2015

★ PRECISION GRADE
SERIES: SPC-220 • HEAVY DUTY

★ SPECIALTY LINE

Custom Neodymium Magnets

Price on Request

High-performance rare-earth magnets tailored to specific application requirements for maximum strength and efficiency. Perfect for specialized industrial, medical, or research projects requiring compact yet powerful magnetic fields.

- ✓ Extreme magnetic strength
- ✓ Custom shapes & sizes
- ✓ High temperature resistance

Warranty: 12 Months **Standard:** ISO 9001:2015

★ PRECISION GRADE
SERIES: SPC-240 • HEAVY DUTY

★ SPECIALTY LINE

Magnetic Sweepers & Road Magnets

₹ 30,000 - ₹ 1,10,000

Efficiently collects hazardous ferrous debris from factory floors, parking lots, and construction sites. Prevents tire damage and ensures a safer working environment.

- ✓ Heavy-duty construction
- ✓ Quick-release mechanism
- ✓ Adjustable height

Warranty: 12 Months **Standard:** ISO 9001:2015

★ PRECISION GRADE
SERIES: SPC-260 • HEAVY DUTY

★ SPECIALTY LINE

Custom Engineered Separation Systems

Custom Quote

Bespoke design tailored to your conveyor speed, material burden, and space constraints.

- ✓ Custom dimensional engineering
- ✓ Dedicated project manager
- ✓ Complete installation manual

Warranty: 12 Months **Standard:** ISO 9001:2015

100% QUALITY ASSURANCE GUARANTEE

Every product in this catalogue is backed by our full commitment to satisfaction, competitive pricing, and swift dispatch.
